**January 2001-  
March 2003**

## OFFICE OF THE GOVERNOR

STATE OF MISSOURI  
JEFFERSON CITY

[www.gov.state.mo.us](http://www.gov.state.mo.us)

BOB HOLDEN  
GOVERNOR

ROOM 216  
STATE CAPITOL  
65101

April 1, 2003

Enclosed within these pages are women I have nominated during the first two years of my administration. I am proud of these community leaders who are willing to take time away from their jobs and families to give back to our Great State.

The milestones that Missouri has reached are significant. We have appointed the first female Commissioner for the Office of Administration as well as the first female Budget Director. I have also had the opportunity to appoint the first female judge for the Southern District Court of Appeals. Gender parity exists for the first time on the Conservation Commission and the Board of Police Commissioners for both St. Louis and Kansas City. In addition, the University of Missouri Board of Curators has a six to three majority of women for the first time in its history.

We will work to increase the number of women serving on various Boards or Commissions. While you peruse this report, I would encourage you to reflect on other women who could be included in this list of volunteers.

You can access the office of Boards and Commissions at <http://go.mo.gov/> or call (573) 751-4767 for information on applying to serve on a board or commission. Join me in making Missouri a better state.

Bob Holden  
Governor
